

SPRING RESOURCE FAIR FUNDRAISER

The rising costs of food, rent, and utilities puts families in a constant state of having to pick and choose which basic need they have to sacrifice. Our program and resource fairs help families alleviate some of those concerns. The FRN program will be hosting another resource fair in March and we are looking for donations to be fully stocked and serve more families than we did last year!

Where is your donation going?

- Food (canned goods, produce, bread, etc.)
- Diapers, baby formula
- Cleaning supplies
- School supplies
- Personal hygiene products
- Blankets
- And lots more!
